# CODING CLUB

## GRADES 2-5 AT VCS   BY All Around Learning Center

Would your child like to create an interactive computer game, or get an introduction to coding, or program a robot to do fun tasks? This is the club for all the above.

The class is divided into three segments:
   + Programming and computer game design using KoduGamelab by Microsoft
   + Introductory coding by Scracth
   + Introduction to programming of Lego Mindstorms Robots using LabView

The program allows students to work at their age and skill level, therefor both new and returning students are welcome.

Time: Mondays 3:30 - 4:30
Cost: $285 for Spring semester
Dates: Jan 10 - May 16
